

Dear friends,

You may have seen media reports about the latest proposal to General Conference of the United Methodist Church. To be clear, this is just a proposal that is likely to come before the General Conference of The United Methodist Church in May 2020.

Bishop Fairley shares, "As we together continue to discern God's call and direction at this watershed junction in the life of our denomination, please join me in deep prayer and scriptural meditation."

If you are interested in reading more about this proposal, the press release can be found [here](#). United Methodist News has a resource page [here](#) related to General Conference 2020.

Because this an important issue in the life of our denomination, there will be opportunities in the coming months for us to learn and share more.

Blessings,

Becki Curry

Interim Senior Pastor
